

Jonathan Cahn's 'The Oracle' Unveils Real, Stunning, Life-Changing Mysteries

Is it possible that an ancient mystery lies behind the events of our world, the leaders of our times and the course of our lives?

Jonathan Cahn, the *New York Times*' bestselling author of *The Harbinger*, *The Paradigm* and *The Book of Mysteries*, is preparing to release his newest book, *The Oracle: The Jubilean Mysteries Unveiled*, on Sept. 3.

The Oracle opens a mystery so big, it has determined everything from the rise and fall of world empires, two world wars, current events, end-time prophecy and much more.

"Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over 3,000 years ago be determining the events of our day?" Cahn asks. "Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year or even the day? And is there a master plan affecting the entire world and altering the course of history?"

The Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age, while seeking answers to deep-rooted questions. These queries are revealed in Cahn's much-anticipated book in a unique format that outlines a conversation between travelers who are searching for answers from *The Oracle*.

"*The Oracle* will take readers on an epic journey through seven doors of revelation envisions to open up 'The Mysteries of the

Stranger,' 'The Lost City,' 'The Man with the Measuring Line,' 'The Day of the Lions' and more," Cahn says. "Readers will also discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The mysteries of *The Oracle* are absolutely real, stunning and life-changing."

As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative; a traveler is given seven keys, each for the opening of one of seven doors. Behind each door lies one of the seven streams of the Jubilean mysteries. Readers are taken on a journey through each door and vision to uncover the ancient secrets that lie behind the world-changing events of modern times.

Cahn caused a worldwide stir with the release of his explosive first book, "The Harbinger," which became an instant *New York Times*' bestseller and brought him to national and international prominence. His next three books were also *New York Times*' bestsellers: *The Mystery of the Shemitah*, *The Book of Mysteries* and his highest-debuting book, *The Paradigm*. Long before writing these books, he was known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import.

He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the needy. Cahn also leads the Jerusalem Center/Beth Israel, a worship center made up of Jews and Gentiles, people of all backgrounds, just outside New York City, in Wayne, New Jersey. Called the prophetic voice of this generation, Cahn is a much-sought-after speaker and has been highlighted in *The New York Times* as well as in many national and international media. He has spoken at the United Nations, on Capitol Hill and to millions of people around the world.
