

Sightseeing at the Sea of Galilee

The Sea of Galilee is one of the most popular tourists spots in Israel. This historic body of water is home to 27 species of fish, but in biblical times, Yeshua stood on its shores—and sometimes *on* the sea—and performed many miracles. He saw Peter and Andrew casting their net into the water and said, “‘Follow Me, and I will make you fishers of men'” (Matt. 4:19, NKJV); He walked on water (see Matt. 14:22-33), and fed more than 5,000 people with five fish and two loaves of bread (see Matt. 14:13-21). To learn how to cast your net in this ancient sea, click below to watch the video.
