

A View From the Top

Standing atop Mount Olive, I got a panoramic view of Jerusalem and the Old City during my pilgrimage to the Holy Land. I could see the Temple Mount, the City of David, and the “pinnacle” or the place where the Bible says Satan told Jesus: “If You are the Son of God, throw Yourself down from here. For it is written ‘He shall give His angels charge over you, to keep you’” (Luke 4: 9-10, NKJV). To see the Holy City, click below to watch the video.
