

Kanye West Sells 'Holy Spirit' Hoodies for \$225

Kanye West hosted his "Sunday Service" on Easter at Coachella, complete with pricey souvenirs to commemorate the experience.

According to *Consequence of Sound*, the Holy Spirit-themed clothing ranged from \$50 for "church socks," to \$225 for a "Holy Spirit" sweatshirt.

Some of the items are now available on West's website.

West's wife, Kim Kardashian West, shared a little bit about the service on Instagram.
