

Kash Patel: Was This 'Whirlwind' Prophecy Fulfilled?

Was Kash Patel as Trump's FBI director pick part of a prophecy fulfilled?

Prophetic voice Charlie Shamp shared how his Mar. 24, 2022, prophecy about the "whirlwinds touching down in Washington D.C." just may have been fulfilled through Kash Patel's confirmation as FBI director.

Previously, Reuters had reported that U.S. interim Attorney Ed Martin looked into threats against federal workers, with the intent to investigate Senator Chuck Schumer after people in the Department of Government Efficiency said they received threats. Martin then decided to call the initiative "Operation Whirlwind." Now, with investigations and a new FBI director, could this "whirlwind" work to change everything?

In Charlie Shamp's prophetic vision, he saw the impact of these whirlwinds coming to do the impossible in America.

Suddenly I saw whirlwinds touching down in Washington D.C. and heard the Lord say, "For they have sown the wind, and they shall reap the whirlwind."

Recently I heard the Lord say, "I'm bringing my hammer of justice to shattering their plans for a New World Order. America you are in an awakening, but a day of reckoning to reverse the curse in the land is coming. Watch and see how I reorder the steps of the House and set in place those that I

have called to sit in the Senate. I will restore and bring redemption to the things that the enemy has done to your nation. I say to you America, you will go from recession to resurgence, from survival to revival!

Think it not strange that you are facing turbulent times and it seems tragedy is at every turn for I am even now turning things around. You will hear the clear sound of the trumpet of triumph. The sound of the trumpet, the good report, the roar like the waves of the ocean tide when it turns, the roar like the lion when it overtakes its prey. A roar of breakthrough, truth and justice to shift the spiritual atmosphere and break barriers of darkness.

This great breakthrough and the set up for revival will come through the form of this whirlwind clearing things out in Washington D.C.

Previously, Shamp also accurately prophesied about Pam Bondi's

role as the U.S. Attorney General.

"A woman will rise from this place to bond the nation back together again. She will take her place, and will fight to make America great," Shamp prophesies. "She will not bend or even break, but she will bond, mend and restore. She will fight for America and bind up the wounds. Where there has been victimization in this nation, she will bring victory."

In this day and age, we can see where the Spirit of the Lord is speaking and how He wants to move not only through the church, but through our government. Let's pray that those in office would take the call God has placed on their lives seriously to see revival and reformation sweep through our nation.
