

Kathryn Krick's Word for 2025: Year of Acceptance

As we continue to seek the Lord and what He has to say about 2025, it is clear that God is ready to do exceedingly, abundantly far more than we ever could have asked for or imagined.

During a Five-Fold Church service, Kathryn Krick gave a prophetic word of what the Lord has placed on her heart for this coming year.

"I'm very excited about this year. I'm more expectant than ever for what God is going to do this year with what He has revealed for 2025," Krick says.

"It says in Luke 4:18[-19], 'The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord's favor.' 2025 is the year of the Lord's favor, the year of acceptance," she continues.

Krick discusses how when we give our lives to Jesus, we see the hand of God come upon us in supernatural ways, providing favor and protection in ways we would not have otherwise.

"His miraculous power is constantly intervening in your life to bring about His will," says Krick. "To bring about His will that you would have abundant life, peace, joy, health, protection, so everyday that you are living when you are surrendered to God, serving God, His favor is coming upon your

life.”

Having the Lord’s favor as God’s child, Krick says, is different, however, than experiencing the year of the Lord’s favor.

/**/

“When you give your life to Jesus, you have peace, you have joy, you have abundant life, but there are different seasons in this ‘s wilderness seasons, refining fire seasons, process seasons, valley seasons and then there’s mountaintop seasons. There’s walls of Jericho coming down seasons. Promises being fulfilled seasons,” she says.

She points out that while the Lord’s favor is experienced by God’s children at all times, there is a moment for an appointed time of God’s favor that radically changes everything.

“This year of 2025 is the acceptable year of the Lord. It’s the year of the Lord’s favor for us in this revival,” she says.

Krick points out that the ministry has gone through the wilderness, dealt with challenges, but now is getting ready to experience God’s favor unlike ever before. Revival is ready to break out in ways no one has seen yet.

“We’ve seen little compared to what God has in store because this revival is for the whole body of Christ,” she says.

With only a few days into 2025, take the opportunity to pray, fast and seek the Lord’s presence and guidance for what kinds of things he would like to do in your life this year.
