

Kenneth Copeland's Word for 2025

During the Sunday service on Dec. 1, 2024, Kenneth Copeland shared his prophetic word for 2025 with the Eagle Mountain International Church congregation.

"In 2024, we're on victory shore," Copeland says. "We're still there. And I heard in my spirit, 'In 2025, the nation will come alive. And confess that daily throughout 2024, especially concerning the election.' Did it come alive or not?"

Copeland points out how unusual in the natural realm it was for Trump to win both the popular and the electoral vote. Now, he says, we must get to work with the Holy Spirit for what is to come in 2025 and the years following it.

"Now, the work only begins because the time has come to believe we win. Because it seemed good to me and the Holy Ghost to say that 2026 is the 'big fix.' And we're working toward the midterms, and we will have the red wave of the midterms," Copeland says.

Copeland says that we should have our eyes not only on the political midterms, but on how we want to see our own lives change in the coming years.

"What about your midterm? What are you going to be doing two years from now?" Copeland asks. "What about 2026? Get on it. Get on it now and begin to pray in the spirit about it, and

listen to the Lord and do what He says [to] do. Take care of spiritual business, and do it with a smile.”

Copeland says through prayer, he received words for 2024 through 2029.

“I’ve been praying about the years; 2024 was on victory shore, 2025 the nation comes alive, 2026 is the big fix, 2028 we go through the gate, 2029 all things will be divine,” he says.

With 2025 less than two weeks away, we each need to seek the Lord for what He wants us to know personally and collectively coming into this next year.
