

Kim Clement's Two-Term Trump Prophecies Fulfilled

Kim Clement's accurate prophecies regarding Donald Trump as a two-term president have been fulfilled following the Nov. 5, 2024 election results.

Back in 2007, Clement prophesied about the rise of Donald Trump to the presidency, and even more, that he would be a two-term president. Now that Trump has won the 2024 election, this prophecy has been fulfilled.

"There will be a praying president, not a religious one. For I will fool the people, says the Lord. I will fool the people, yes I will," Clement prophesied. "God says, the one that is chosen shall go in and they shall say, 'He has hot blood.' For the Spirit of God says, 'Yes, he may have hot blood, but he will bring the walls of protection on this country in a greater way, and the economy of this country shall change rapidly,' says the Lord of hosts."

This description not only fits Trump perfectly, but it was prophesied that he would be a two-term president.

"God says, 'I will put at your helm for two terms a president that will pray, but he will not be a praying president when he starts. I will put him in office and then I will baptize him with the Holy Spirit and My power,'" Clement prophesied.

Clement specifically prophesied that Trump would become a "trumpet." Years later in 2013, Clement also spoke on the rise of another Ronald Reagan who would come after Barack Obama for the protection of the nation and the world.

“It was a Ronald Reagan that stood up and took away the tumor,” said Clement. “Now, we see that this is trying to grow again and trying to come tells me there will be another kind of Ronald Reagan that has to be emerged.”
