

Leftist Actress Labels Supreme Court Justices as 'Satanic Force' for 'Roe' Draft Opinion

Actor Rosanna Arquette claimed over the weekend to know the real motivation behind the U.S. Supreme Court decision depicted in the leaked draft opinion in the *Dobbs v. Jackson Women's Health Organization* case.

The *Ray Donovan* star insisted she is not “hysterical or alarmist” for believing the justices seeking to overturn the precedent established in 1973 by *Roe v. Wade* “will traffic babies that many women can't afford to keep,” even calling them “officially the satanic force.”

As CBN's Faithwire has reported, Arquette's out-there claim comes days after a leaked document showed the high court is poised to rule in favor of a Mississippi law prohibiting abortion after 15 weeks. Justice Samuel Alito wrote the draft opinion and, if finalized, it would overturn the precedent set by *Roe* and *Planned Parenthood v. Casey*.

“Get your boots off our wombs,” Arquette tweeted when the draft opinion was first leaked.

No ,it's not hysterical or alarmist ,They will traffic babies that many women can't afford to keep .There is a huge money making market world wide for babies and behind that is organ trafficking the majority Supreme Court justices are officially the satanic force.

In a subsequent post, she maligned Justice Brett Kavanaugh,

describing him as a “slimy drunk rapist,” referring to his contentious confirmation hearing in 2018, when Democratic lawmakers accused him of sexual assault.

Arquette furthermore argued President Joe Biden needs to pack the Supreme Court with progressive justices.
