

Longtime QVC Host: Wife's Stage 4 Cancer Worked for God's Glory

Former QVC Network host Dan Wheeler says he believed God would heal his wife, Beth, from stage 4 cancer, "right up until her last breath."

"I remember thinking at the time, after she died, (that) 'all things work together for good to those that love God, to those that are called according to His purpose.' I'd say, 'Really, God? Stage 4 cancer can work together for good?'"
