

# Mario Murillo Ministries Triumphs Over Behind-the- Scenes Spiritual Warfare, Expands Outreach With New Tent

The river of salvation is flowing up and down Highway 99 in California. God just warned us that this was only the beginning of the harvest. The question is this: Will we take the gigantic leap of faith that God demands?

You were not aware of the major war of faith going on behind the scenes. You saw on our blog the images of people sitting and standing outside our tent in Fresno, Bakersfield and Modesto. Our current tent is too small. And the harvest is only getting bigger, so we had to find a new tent—but not just any tent.

Heading into war, you need excellent weapons—cutting edge weapons. I wanted a new state-of-the-art tent. We needed a brand new one.

So we took a giant leap of faith. We found the right tent, and we bought it! This magnificent tent blocks out heat from the sun. It has been created to withstand major winds. This design has been put through brutal tests of weather. They tested these tents by leaving them up for years, through snow, heat and humidity. The result was excellent: no pin holes in the material and no cracks in the poles.

However, the most important part was the size. Our current tent is 8,000 square feet. Our new one is 16,800 square feet. We will now be able to seat thousands!

The Holy Spirit is making a very bold statement to us in having us purchase this tent. First, it is designed to last for many years, which says we are not going to let up—that we are in this until Jesus comes. Next, the size of the tent, which He led us to, indicates the size of the harvest that is coming!

Even bigger news than this: Sacramento is now our main target! God has turned our focus to the seat of power in California. We are aiming at a giant, and this demands a massive strategy. This invasion will require more from us than all of the previous crusades along Highway 99, combined.

We will not do just one Living Proof Crusade in Sacramento—but three! Think of that! Here they are in order:

**Sunday-Wednesday, May 2-5.** The first crusade will be on the Campus of William Jessup University, this very weekend. We thank God for pastors Greg and Kathy Fairrington and Destiny Church in Rocklin, California, who are spearheading an amazing four nights on the field of the soccer complex of William Jessup University.

**Sunday-Friday, Aug. 8-13.** The second one will be a partnership with Pastor Sammy Rodriguez, at New Season Campus, 6555 44th Street, Sacramento, California 95823. This will be a major invasion of neighborhoods. It will be a mirror image of the outreach we did in Modesto.

**Fall 2021: Under our new tent, date to be announced.** The third crusade will be at a venue that gives me chills as I anticipate it! But since we are still in negotiations, I am unable to announce the location just yet. What I can tell you is that it will be in the fall, and it will be the maiden voyage of our new tent. I am beyond excited!

There is absolutely no appeal for funds in this announcement. There is only a call to prayer. Everything within me says that whatever we are going to do for Christ in California, we must

do now.

Yes! Let us rejoice! But then we must pray, pray, pray! {eoa}
