

Massive Move of God? Baylor Students Cry Out for Revival—and What Happened Next Is Powerful!

There's no doubt that a spiritual movement is taking place across college campuses. In almost every region of the country, young people are having their lives impacted by the love of Jesus Christ. This week, thousands of students at Baylor University gathered for 72 hours of continuous prayer to ask God for revival on their campus in Waco, Texas.

Since 2019, students have gathered for FM72, or Fountain Mall 72, under a white tent for three days to pursue "the heart of God."
