

Megachurch Pastor Continues to Heal After Heart Attack: 'By Faith We Believe He Will Recover 100%'

Megachurch Pastor Glen Berteau continues to recover after suffering a major heart attack this week.

Berteau, senior pastor of The House in Modesto, California, is showing "slight but continual improvement," according to The House's senior associate pastor, Mike Trenton.

Trenton says he and the rest of those praying for Berteau "believe he will recover and be 100% whole when he does."
