

Mike Signorelli's Prophetic Warning for the US

Is it possible that the Lord has been trying to show us all along of the coming danger to America, Israel and the world?

After the recent events of the port workers strike in the United States, the Iranian missile attacks against Israel and the catastrophic turmoil of Hurricane Helene, it may seem as though these events came out of nowhere. However, is it possible that God provided warnings to us about them long before they occurred?

Pastor Mike Signorelli shared an update on these events and how they connect to the prophetic.

Speaking to Josh Hamstra who is currently located in Israel, Signorelli recalled a conversation the two of them had about the Jewish nation.

"[We] had a conversation before you left, and you said, 'Mike, what is the Lord speaking to you?' And I actually told you 'I don't want to don't want it to be true,'" Signorelli recounts.

Signorelli says the Lord kept impressing upon him the phrase, "The war in Israel."

"I felt like there was going to be a ground invasion, I felt like there was going to be [an] attack," Signorelli says.

Signorelli also points out the fact that Hillary Clinton has spoken that we can expect a black swan event to be coming soon, something that should make many people curious to know what she is implying.

“A black swan event is when something happens that was totally unaccounted for,” Signorelli says. “And it’s so catastrophic that it changes the very fabric of a nation.”

While these troublesome events seem to be collecting, Signorelli also pointed out that October will be a pivotal month for many believers in the body of Christ.

“At the same time, many believers will enter the birthing room,” Signorelli says. “What is the birthing room? Your destiny.”

In a separate post on Facebook, Signorelli wrote that this month would be a “pivotal month.”

“For those who operate in the spirit, the plans of the enemy will begin to be revealed openly. At the same time, many believers will enter the ‘birthing room’ by the end of the month. They will step into what is next before the enemy initiates his plans. Many personal prophecies will come to pass. The great door will open to many. The grace and mercy of God will be on full display in the lives of those who have remained faithful,” Signorelli writes.

This time of war, uncertainty, economic crisis and new beginnings is a time when we as Christians need to be pressing into the Holy Spirit, clinging close to the Creator of all heaven and earth.
