‘Absolute Miracle’: Texas Boy Survives After Being ‘Sucked Up’ by Deadly Tornado

A family is rejoicing in an “absolute miracle” after a 7-year-old boy survived being thrown by a deadly tornado in Abilene, Texas.

The Lambert family told KWTX-TV they were hiding in a closet as the tornado ripped through their neighborhood over the weekend, utterly destroying their home.

Freddy McKinney, a storm chaser, helped rescue the Lamberts while he was filming the harrowing tornado hover over their house. Wes and Kasey Lambert—along with their daughter Allie and son Lane—found shelter in a closet.

Is 2040 the End of Humanity?

We are often asked if we know what the date of the Second Coming is. The answer is unequivocal: No. We don’t know and no one knows (Acts 1:7). I would like to mention a number of interesting circumstances that are likely to occur around the year 2040.

The Jewish calendar is based on a letter system. Aleph א equals 1; Tav ט equals four hundred. The year 2040 on the

Jewish calendar is "Tav-Tav." In other words, the letters come to an end. There are some Jewish mystics that have already claimed that year to be the end of the world.

There will undoubtedly be a flood of false messianic claims and extremist cults exploding in every stream of Judaism all over Israel around that time. Yeshua specifically warned about "false messiahs" in the end times (Matt. 24:5, 11, 24).

Jenny Marrs Praises God for Divinely Ordained Trip to Italy

HGTV star Jenny Marrs shared her recent trip to Italy and explained how its perfect timing was planned by God.

"A handful of months ago, over dinner with longtime friends, we dreamt of taking a trip together to Italy," Marrs said. "It seemed impossible with schedules and kids but did it anyway. We cashed in miles and coordinated allllllll the things on the calendar and we made it happen (I still can't believe it!).

"For Dave and I, this was our first trip back without any work on the agenda and I was able to unplug in a way I haven't in a long time," she continued.
