Amanda Grace Reveals the Mysteries of the DNC

In a new livestream, Amanda Grace revealed some of the prophetic implications surrounding the DNC after she had a very vivid dream earlier this month and a word from 2023 that came to pass.

On Aug. 9, Grace had a dream which she believes represented the location of the DNC and the lawlessness and rebellion taking place there.

"What I saw was this long, rectangular looking building," Grace says. "On one side there was a body of water and nearby there looked to be greenery or a small park."

Trumpets Sound on Temple Mount for the First Time in 2,000 Years

Events in Israel, and more specifically Jerusalem, continue to point to God's prophetic clock and the timeline for the end times continues to grow closer.

Perhaps one day soon we may even see the nation unite and move toward the restoration of the Temple.

But that is arguably a long ways away, since the Temple Mount itself is still in dispute, yet events such as the sounding of the silver temple trumpets, which took place on Tisha B'Av, the day of remembrance of the destruction of both the First and Second Temples, took place recently.
