With this battle comes false prophets, whom the Bible warns about in both the Old and New Testaments. Now, many are being deceived by these “pay for prophecy” prophets and allowing spiritual strongholds into their lives.

It is not through the Holy Spirit that many of these false teachers gain their insights, but through divination and demonic revelation.

Students Horrified After Forced to Take Bestiality Class

Parents and students alike are horrified after a class taught children about varying LGBTQ sexual acts, including bestiality.

The class was presented at Renmark High School in Australia, where some of the students were as young as 13 years old, according to Harbinger's Daily. Parents were not notified of the presentation prior to it taking place. The person presenting the material was not a regular staff teacher, and there were no teachers in the room at the time of the presentation.

The ninth graders were under the deception that they would be learning about “respectful relationships.” However, things took a completely different turn when a slide show was used to present what the “+” meant in the LGBTQIA+ acronym.
