From Addict to Deliverance Warrior, Tai Locke Shares Her Testimony to Freedom

Tai Locke, who pastors Global Vision Bible Church with her husband, Greg Locke, shared how she came to Christ in the middle of a bleak and dark drug addiction. However, when she finally laid everything down at her Savior's feet, her life was changed forever.

"When I met the Lord, I had an encounter with the Lord in a ditch. I drug overdosed," Locke said. "When I got born again, the Lord did a drastic transformation in my life very immediately after that encounter with Him."

Because Locke didn't grow up in the church and had no context of Christian culture coming into the faith, she took everything the Bible said at face-value. She didn't doubt that God could still heal or perform miracles. She had already experienced His Holy Spirit transforming her life for His glory. However, after marrying Greg, she learned that cessationism was an actual struggle for him as it is for many people who have been taught over the years that the gifts of the Holy Spirit ceased when the apostles died.
