Gunman Targets Greg Locke's Home in Shocking Attack

Pastor Greg Locke and his family were the targets of a gunman late on Tuesday night, Sept. 3.

Locke gave the update on Facebook to let people know that he and his family were safe and unharmed, by God's miraculous grace:

It's 2:00am and for the last 3 hours our home has been a full blown crime scene. According to the security cam footage, we pulled into our driveway exactly ONE MINUTE after a madman unloaded an entire magazine of bullets from an automatic weapon into our house, garage and my truck. The sound on the video is truly horrific. Detectives will still be here for a good while tonight.

Kamala Harris Distorts Bible Verse for Personal Gain

Vice President Kamala Harris managed to send a video greeting to a Christian conference quoting Scripture out of context about Jesus Christ, and then didn't even bother to mention His name.

In the message to the Quadrennial Session of the General Conference of the African Methodist Episcopal Church taking place in Columbus, Ohio, last week, Harris said, "We are just

10 weeks out from the election, and I know you are already hard at work... organizing souls to the polls, making sure your members are registered and ready to vote.

“Because as we all know, this is the most consequential election of our lifetime. We face a choice between two very different visions for the future of our nation,” she added.
