IHOPKC Announces Major Update in Bickle Investigation

In the wake of accusations that have rocked the Christian community, IHOPKC has developed and released a report on the initial findings of the investigation into founding pastor Mike Bickle.

The following present extracts from the initial findings report put forward by IHOPKC leadership:

Three weeks ago, on Oct. 24, a group of men led by a local Kansas City pastor, (the "Complaint Group") officially presented IHOPKC's Executive Leadership Team ("ELT") with a series of allegations against Mike Bickle allegedly made by eight women whom the Complaint Group claimed to represent.

Evil Mike Johnson and the Nefarious Christian Take Over of America

There are few things more frightening to leftist Americans than a Christian conservative who has political power. That's why the unexpected, out of the blue rise to power of Rep. Mike Johnson sent shock waves through the left, as if to say, "These religious fanatics are trying to take over the country! Soon they'll be imposing the Christian version of Sharia on every American! Danger!

Johnson even had the temerity to say this in an interview with Sean Hannity, "I am a Bible-believing Christian. Someone asked me today in the media, they said, 'It's curious, people are curious: What does Mike Johnson think about any issue under the sun?' I said, 'Well, go pick up a Bible off your shelf and read it. That's my worldview.'" Oh, the horror!

To be sure, countless political leaders in American history, including many of our presidents, also extolled the Scriptures. In the words of Abraham Lincoln in 1864, when presented with a Bible by "loyal colored people" in Baltimore, "In regard to this Great Book, I have but to say, it is the best gift God has given to man. All the good the Savior gave to the world was communicated through this book. But for it we could not know right from wrong. All things most desirable for man's welfare, here and hereafter, are to be found portrayed in it. To you I return my most sincere thanks for the very elegant copy of the great Book of God which you present."

Dr. Ron Kenoly Rebukes Congregation During Worship

In Psalm 96:8-9 it says: "Give unto the Lord the glory due His name; bring an offering, and come into His courts. Worship the Lord in the beauty of holiness; tremble before Him, all the earth."

Well, how do we enter into His courts? Psalm 100:4 answers that question: "Enter into His gates with thanksgiving, and into His courts with praise; be thankful to Him, and bless His name."

When a worship leader sees a congregation that is not focused on the Lord and respecting the holiness that comes with worshiping Him, it is their responsibility to correct the people lovingly. {eo}
