Jenny Weaver's Prophetic Message on Hurricane Milton

As Florida braces for Hurricane Milton, Jenny Weaver is giving a powerful prophetic message to the body of Christ about this situation.

"I have an urgent word concerning the upcoming storms, the turmoil that's happening right now with the rumors of wars and all the things happening," Weaver says in a Facebook livestream.

"The word of the Lord that I am hearing in my spirit is, 'and upon this rock, I will build My church. And the gates of hell shall not prevail against it,'" she says.

Joseph Z Prophecy: 'Do-Over Hurricane'

Is Milton the do-over hurricane during the do-over year?

In a new livestream by prophet Joseph Z, he shared some of the words and visions he had seen before both the hit of Hurricane Helene and the incoming Hurricane Milton.

Days before the Helene made landfall, Z drew an outline of the U.S. on his whiteboard as he received an unction from the Lord about something that was coming. In the sketch, Z circled an area of the U.S. around the Carolinas where he heard the word "surge."

Jimmy Evans: Satan's Influence in the White House Exposed

In a recent episode of "Tipping Point," host Pastor Jimmy Evans delves into a thought-provoking discussion about U.S. foreign policy toward Israel and its prophetic link to natural disasters.

Evans raises serious concerns about the Biden administration's actions, particularly regarding the proposed two-state solution between the Palestinian Arabs and Israelis, and how these policies may be connected to recent catastrophic weather events.

"This book right here," Evans says, holding up a copy of William Koenig's "Eye to Eye: Facing the Consequences of Dividing Israel," "gives 126 examples of when American foreign policy was against Israel—especially when it involved dividing their land—and the natural disasters that followed in the United States."
