Jonathan Cahn: 'Guard and Protect Your Child;' Satan is Coming for Them

Jonathan Cahn says that one of the signs of a nation under the judgment of God has to do with its children.

And with what is now happening in America and the attempting sexualization and paganization of its children through many facets of culture, there is little doubt, Cahn says, that the only hope for this country is revival.

Today in America, rejecting Christian principles and embracing the world's standards on subjects like marriage, sexuality and identity can be a financially lucrative ploy. But when the result is furthering oneself from their Father in heaven, the spiritual cost greatly outweighs the short-term monetary gains. {eoa}
