King Charles' Controversial Christmas Message

King Charles has caused quite the controversy over his Christmas message.

During the monarch's speech, he spoke about Jesus' birth, however, it was equated with the same value as all other religions.

"...our holy Savior came down to earth from heaven. Lived among the poor and [meek] and lowly, and transformed the lives of those He met through God's redeeming love. That is the heart of the Nativity story. And, we can hear its beat in the belief of all the great faiths. In the love and mercy of God in times of joy and of suffering," Charles says.

Bill Johnson 2025 Message: ‘The Lord Set Us Up With Promise’

“Abraham believed God, and it was credited to him as righteousness” (Rom. 4:3).

When we take a step of faith of believing and trusting in God, He does miracles. In a message on entering God’s Promised Land, pastor and prophetic voice Bill Johnson shared with Bethel Church what he is sensing from the Lord right now about what we can expect to see in 2025.

“I wanted to grab this opportunity to talk to you because of what I’m sensing for this next year,” Johnson says. “I feel like the Lord set us up with promise; He’s drawing us into a hope-filled future with promise. There’s an inheritance that we can’t earn, but we can disqualify ourselves from.”
