In a shocking life event, a woman identified as K. Anthony from Harrell, Arkansas, found herself the fortunate winner of a \$100,000 Powerball prize after a church sermon inspired her to test her luck.

According to the Arkansas Scholarship Lottery's press release, Anthony, who typically plays the Arkansas lottery only once or

Acting on this newfound inspiration, she played Powerball using the Jackpocket lottery app, with the app's system randomly selecting her winning numbers. Miraculously, Anthony matched 5 out of the 6 winning digits—9, 41, 43, 49 and 64—along with the Powerball number 4, securing her a \$100,000 prize.
