The Enemy Nor Hurricane Ian Can't Stop God's 'Fire and Glory'

Are we canceling two nights of Fire and Glory in the Hertz Arena? Everyone knows that Fort Myers took a direct hit from Hurricane Ian. The Hertz Arena in Estero, Florida is right there, in its path. Does that mean we are canceling the two nights of Fire and Glory on October 24th and 25th?

That big question deserves a complete answer. From the very beginning, I wondered why God chose this region of Florida for the first stop on our Fire and Glory Tour.

Going to Pennsylvania would seem to have made much more sense as a first stop, since it is a battleground state. But no, His voice was emphatic, "Go to the Hertz Arena and invite Lance Wallnau to join you."

Former New Age Author Uncovers Deception in Angel Numbers

Numbers and patterns are used all throughout scripture by God to speak to us. But what is the Christian doctrine behind using numbers to interpret a prophetic message God may be speaking?

In Proverbs 25:2 Solomon says, "It is the glory of God to conceal a thing, but the honor of kings is to search out a matter." It is clear that the Holy Spirit reveals things to us through the scriptures about the depths and riches of God.

The Bible is tied together by events and numbers and it's clear that God wants us to search out truth and wisdom found

in the scriptures. But, now people are searching for a message from God in “angel numbers.” This could be a grocery store receipt that comes out to \$ or waking up at 4:44a.m. multiple nights in a row. Many people believe it is angels trying to speak to them. This is different than biblical number symbolism.
