Unmasking False Prophets with Mario Murillo

One of the gifts of the Spirit is the gift of prophecy. The new testament is full of stories about prophecy. Paul foretold his own arrest, and he teaches the early church that they must test prophecy.

With the modern Pentecostal/charismatic renewal came the resurgence of the gifts, and in the past few decades a prophetic movement has developed. Men like Bishop Bill Hamon. and the late Peter Wagner were well known for teaching on the prophetic and the importance in the life of the church.

In my new book *Spirit-Led Living in an Upside-Down World* I have an entire chapter about this and give examples of how modern-day prophets have made a huge difference. I also tell some stories of where I've been prophesied to or have seen prophecies come true, one of which was the prophecy by Kim Clement that someone like Donald Trump would be elected president for two terms. My book *God and Donald Trump* was my effort to document those prophecies that came true with Trump's election in 2016.

The Church Is Now in a Season of Judgment

Foundational to the real prophetic gospel, especially as the return of the Lord draws near, is the calling out of God's remnant people from evil wicked systems, so that they would not come under the judgment of God.

God doesn't just judge individual people; He also judges

systems and He will judge the false church systems of man. This is a principle of judgment and what I consider to be a plumb line, end times truth.

Jesus said in Matt. 24:12 that just before His return the spirit of this age, which is lawlessness, will cause the agape love of many to grow cold.

Is It From God? 3 Ways to Discern if It's the Holy Spirit

☒ It seems as though no matter where you go or turn to, someone always has an opinion or unsolicited advice to give. We see them on social media, news and blogs, and it can be easy to get caught up into what others have to say about our lives.

But what about God?

How can we know if the Holy Spirit is speaking to us? God's voice tends to be much quieter and softer than the noise of the world. And unfortunately, there are some very real spiritual forces vying for our attention. Scripture says that we do not fight against flesh and blood, but rather we war against principalities and powers. While God can and does speak to us in many different ways, there are a few keys that we can use to discern if something is from God or if it's from another spirit. {eoa}
