

Muslims Massacre Pastor, Wife and At Least 70 Others in Brutal Attacks

Tribal Muslims have killed more than 70 Christians in Nigeria's Plateau state in recent weeks.

According to Nigeria's *Daily Post*, Fulani herdsman attacked more than eight villages between April 25 and May 11.

The worst attack took place May 2, when Muslims burned down a church and killed 27 people, including the pastor and his wife.

Many villagers are afraid to return to their homes, but some say they will remain and be a witness for Christ.

For more than a decade, Fulani herdsman have attacked and seized Christian lands in central and northern Nigeria.
