

Obama Exposer Releases Shocking New Trailer for 'Hillary's America'

Dinesh D'Souza dared to speak against President Barack Obama with his documentary and landed in prison for campaign finance violations.

Now, the director of *2016: Obama's America* released a scathing trailer for *Hillary's America*.

"It all began when the Obama administration tried to shut me up," D'Souza says in the trailer.

"The big criminals are still at large," D'Souza says while scenes of Clinton flash across the screen. "The system doesn't go after them."

So what should we expect? Watch the trailer to see D'Souza's predictions.
