

# Pastor's Family Rocked by Tragedy: 2 Dead, 3 Injured in Horrific Car Accident

A Louisiana pastor and his family are facing unimaginable grief after a tragic vehicle crash claimed the lives of two loved ones and left others seriously injured.

According to WBRZ, Pastor Tim Brady of Lifeway Apostolic Church in Kentwood, Louisiana, was traveling home with family members from Camp Apex, a Christian camp in Conway, Arkansas, when the accident occurred Saturday morning in north Louisiana.

State police said the family's pickup truck left the roadway and struck a tree near the intersection of Louisiana Highway 9 and Highway 518 in Athens.

The crash claimed the lives of two members of the Brady family. Pastor Brady's daughter-in-law, Katie Barber, 22, and his 14-year-old son, Benson Brady, died as a result of the accident.

Three other occupants of the vehicle were transported to a hospital following the crash.
