

# Porn Star-Turned-Pastor Encourages Singles to Date God's Way With Purity

Brittini De La Mora was in the porn industry for seven years. Back then, she never imagined she would one day find God and marry a pastor.

On Feb. 20, 2016, Brittini and Richard De La Mora were married. Today they pastor XXX Church, ministering to people about the dangers of pornography while encouraging them to live a sexually pure life.

"When I first met her, I didn't even know she was in the porn industry," said Richard. "I found out when she was sharing her testimony. But even then, her being in the industry, I never really looked at her as a product of her past. I looked at her as a product of God's grace. What God has done in her life has just been incredible."

In an interview with CBN News, the couple discussed today's culture war surrounding sex.

"There definitely is a war," said Richard. "Lust takes but love gives. We're in a society that's all about taking and it's not being self-less but selfish. And when it comes to pornography, it's just contaminating the minds of so many people."

He said America's porn addiction is based on lies people believe. "The thing with pornography, we don't see it as 'that bad of a sin'. You know, 'you can dabble in it. It's not going to affect me.' But the reality is it does affect you."
