

PRAY: Si Robertson Hospitalized as Family Sees New Changes

Pray for the Robertson family after Si Robertson was hospitalized from an accident that happened during a hunting trip.

When the hunting trip concluded, Robertson got in a flurry to get out of the boat quickly, which caused him to fall, landing on his oxygen machine. While reports came out that Si denied his injuries, a few days later, he decided to go to the emergency room.

As Country Music Family noted, the “Duck Dynasty” star “was in an enormous amount of pain and had seriously low oxygen numbers.” This led to Robertson’s wife and caretakers to bring him to a walk-in clinic, which then immediately referred him to the hospital.

Robertson’s accident comes at a time when his brother, Phil Robertson, is dealing with serious battles in his Alzheimer’s condition along with other ailments.

As Penn Live notes, Jase Robertson says his father, Phil, is also struggling with “...some sort of blood disease causing all kinds of problems.”

Take this opportunity to pray for the Robertson family, especially as they seek to re-launch their “Duck Dynasty” hit.

God has used many of the members of the Robertson family for His glory. Pray for physical and spiritual restoration for this family as they prepare to go into the next phase of what God has for them.
