

Pro-Israel Facebook Account Reaches Social Media Milestone

The Jerusalem Prayer Team Facebook account has garnered over 61 million followers, making it the 37th most followed page on Facebook, according to Jerusalem Prayer Team general counsel Randy Barton.

Barton told Charisma News, “More impressive than that is just [on] Saturday, June 29, over 1 million people connected with us, making us in the top 10 in the world [that day] with social media influence.”

Jerusalem Prayer Team founder Mike Evans also told Charisma News the page received 2.5 million pageviews this week.

On May 31, the Facebook page celebrated entering the top 50 most-followed pages, saying it had “more followers than Instagram.”
