

Prophecy: The Lord Says, 'Stand Firm in Ferocious Faith'

As I have been praying for the USA, the Lord strongly impressed on me the message of Exodus 14:13 for this hour: "...Fear not! Stand firm! And see the salvation of the Lord, which He will show you today. For the Egyptians whom you have seen today, you shall never see again."

It is not time to fear but to stand firm in unwavering faith on the promises the Lord has spoken, for He is faithful to bring them to pass in His perfect timing and in His way. The plans of God for the USA have not been aborted, but we have yet to see the fullness of His plans unfold. The Lord is looking for those who will trust Him, meaning trusting in His timing and the process by which He will bring that which He has spoken to pass. It is time for the people of God to stand in faith for the divine intervention and overturning that is coming, and to partner with the Lord in prayer, praise and thanksgiving.

The Overturning and Day of Deliverance

I heard the Lord say, "Many of My warriors of faith have been waiting for their day of deliverance and for the overturning to come. Now is not the time to waver and doubt, for surely I will bring to pass all I have spoken through My prophets. It will not be in the way that is expected, or in the ways of man, but it will be in My timing and way, which will far exceed expectations and will be a sign of My divine intervention. There will be no doubt that the day of deliverance was due to My hand. My divine intervention will be a mark in history of the turning I will bring to the nation."

Stand in Ferocious Faith

“Some are saying I have lifted My hand off the USA, but I have not forsaken the prayers of My faithful ones and their stand in ferocious faith. My justice will be seen in the nation. Just because My divine intervention has not come in the timing of man does not mean it is not coming, for surely it will come and much change will be seen in its wake. Now is not the time to fear, but to stand in unwavering faith. There is a sound rising—it is the sound of My warriors of ferocious faith arising. Their decrees of faith are calling forth My plans and purposes and are standing against the schemes of the enemy.”

A Time of Overthrowing and Overturning Is Coming

“Surely an ‘overthrowing’ is on the horizon. For the enemy thinks he has won, but the victory belongs to Me and to those who have stood in faith and intercession for the true destiny of the nation to come to pass. The counterfeit will be exposed and overturned, and the truth will be revealed. All that has been hidden will be brought to the light. Did I not say that I remove kings and set up kings, and is not My Word unchanging?”

“It is He who changes the times and the seasons; He removes kings and sets up kings; He gives wisdom to the wise and knowledge to those who know understanding. He reveals the deep and secret things; He knows what is in the darkness, and the light dwells with Him” (Dan. 2:21-22).

Reset and Restart

The Lord said, “I am bringing a reset and a restart to the nation. The restart will occur following My divine intervention. It will be a reset in the natural but also in the spirit, for the reset will bring recalibration and realignment. I am using this time to shake the very core of the nation in order to see a recalibration come so that closer alignment with My Word and ways can be seen.”

Time to Move Forward

“A choice stands before My people. They can stand firm in faith and move forward, believing all I have spoken, or they can stand in disbelief and move away from what I have spoken. I am looking for those who will stand firm in faith, knowing I am faithful. The path of disbelief gives ground to the enemy, but the path of faith is one of partnership with Me and will yield much fruit and reward.

“My people have forgotten My faithfulness and sovereignty. The timing of My intervention will showcase My faithfulness and remind My people that My Word is unchanging and a rock on which they can stand. My Word does not return void but accomplishes all it is sent forth to fulfill.”

Isaiah 55:11, “[S]o shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish that which I please, and it shall prosper in the thing for which I sent it.”

Red Sea Moment

“Many of My people took up the call to pray and intercede for the election and the nation, but many have dropped the assignment now that they feel My plan has been aborted. Just as I led my people, the Israelites, to the Red Sea in order for them to see My deliverance and faithfulness, so, too, I am leading My people in the USA to their place of deliverance.” Now, at their Red Sea moment, it is not time to fear but to stand firm and move forward, continuing in all I have assigned to them, knowing that the time of miraculous deliverance is coming.

“My plan has not been aborted but rather has not yet fully unfolded. The reset and restart I desire to bring to the nation require a powerful display of My intervention and faithfulness in order to usher in true reformation.

“I will finish what I have started and will bring to completion all I have begun in the nation. Align your words

with Mine and guard what you listen to. Let your praise arise and avoid that which fuels disbelief, doubt and discouragement. Fill your mouths with prayer and thanksgiving. See yourselves approaching the Red Sea, and know that just as the Egyptian chariots were overcome and overturned by the waters, so, too, the enemy's plans will be overturned following My intervention.

"The day of overturning will be the day of deliverance for the nation and will forever bear My mark as the day a course correction came to the nation. Much cleansing will come to the nation and bring a restart and closer alignment with My ways. My timing will allow for greater exposure of that which needs to be brought into the light, so trust in My timing and My process. In the overturning, what the enemy meant for harm, I will use for good."

A Return to 2 Chronicles 20:20

"My divine intervention will also see My people return to a strong stand in believing My Word and understanding the truth of 2 Chronicles 20:20b: 'Believe in the Lord your God, and you will be supported. Believe His prophets, and you will succeed.'

"Following the divine intervention and overturning that is coming, those who released My message and prophetic word in purity and on My direction, walking in the fear of the Lord instead of the fear of man, will be given a greater voice for Me. Where My people have wavered in believing the prophetic, they will now listen with closer attention to all I reveal through My servants—those who walk intimately with Me and who carry My heart and message for the hour."

The Time to Continue

"Now is the time to continue. Continue to call in My plans and purposes. Continue to stand in faith. Continue to release decrees on the leading of My Spirit. Continue to stand in

unity for My will to be established in the nation. Continue to look with heavenly perspective. Continue in the knowledge that the day of deliverance is coming. Continue to trust in Me and My timing and remain in a place of peace. Speak and act from a platform of love so as not to add fuel to the enemy's plans."

Warriors of ferocious and unwavering faith, now is your time to arise. Can you see the Exodus 14:13 hour at hand? Fear not and stand firm in faith for the divine intervention, overturning and deliverance that is coming. What you see today will not be seen after the Lord intervenes and brings a restart and reformation to the nation. {eoa}
