

Prophetic Message for Tampa: 'I Will Raise You Up'

Could the Lord be ready to do something new and monumental in the city of Tampa, Florida?

In a recent prophetic message, Jenny Weaver shared what she believes the Lord has spoken to her about this city where her Core Center Revival is located.

"For there is a sound coming out of Tampa. And there is a sound that is being birthed even in this place, to go out of the doors, out of the four walls into the region," Weaver prophesies.

Weaver believes this call is to be near the highways and byways, the impoverished locations, the places no one wants to go. She predicts that God will shake up the principalities that have been over the city, and that He will use the Core Revival Center for His glory at such a time as this.

"I will raise you up," Weaver prophesies. "As a trumpet from Tampa, Florida, the Bay of the Holy Ghost to the nations. And many will come and they will look and they will say, 'We want to see what's happening there.'"

Weaver further prophesies that people will come to see what

the Lord is doing in this region, and they will be transformed by the power of the Holy Spirit.

“And I’ll begin to speak to the hearts of My people,” Weaver says.

One of the key parts of this prophecy is that the people are not to touch the glory of the Lord. Both men and women will lift their voices and prayers to God, righteousness abounding.

Let’s pray to see this revival come to Tampa, to Florida and to the world, that the Holy Spirit may dwell in the hearts of men and women all over the globe.
