

Prophetic Pulse: The Destruction of Damascus?

When an Israeli airstrike hit an Iranian compound in Damascus, Syria, on Monday, killing seven high-level military officers, the world knew Israel is willing to escalate its fight to preserve the nation's survival.

As Iran continues backing proxy groups such as Hamas and Hezbollah to conduct warfare against Israel, they have now put the world on high alert, as a retaliatory attack is expected to be imminent.

Over three months ago however, Nephilim expert L.A. Marzulli spoke with Charisma News and warned viewers that according to the Word of God, things might very well escalate to biblical proportions involving the city of Damascus.

"When you look at the the prophetic pulse of what's going on in the Middle East, the possibility of Psalm 83, the destruction of Damascus, you know if Israel goes up and destroys Damascus, all hell's going to break loose," says Marzulli.

Why would Israel have a reason to attack Damascus, Syria when it is fighting a war against Hamas, Hezbollah and other Iranian-backed proxy groups, and let's face it, with Iran, just not in conventional terms?

Because, as the Al-Jazeera network reports, there is a heavy presence of Iran's Islamic Revolutionary Guard Corps concentrated in the city.

Marzulli points to the biblical prophecy in Ezekiel 38, and

should this be the time we're now living in, for Israel to destroy the city, forces from the East will move in to attack Israel.

"The people aren't just going to sit by," explains Marzulli. "So now, that leads to Ezekiel 38. There's not an Arab in the bunch. That's where Russia and Turkey and the Scythians come in, and that's Afghanistan and Kazakhstan and Uzbekistan. That's all coming in from the East. I mean ... that's crazy! Turkey's got one of the largest standing armies in the area. They've got an air force. They are well equipped. They've got boots on the ground. This isn't Hezbollah or Hamas, it's a whole different deal."

It is no secret that Turkey is no friend to Israel.

According to The Times of Israel, "Turkish President Recep Tayyip Erdogan warned Israel on Wednesday [Dec. 6, 2023] that Israel would 'pay a very heavy price' if it attempted to eliminate Hamas members in Turkey."

Well, Israel just proved with the recent airstrike on Damascus that they are willing to cross international borders to eliminate their enemies who would see them destroyed.

"They do not know the Turks. They don't know us... If they commit such a mistake, they should know that they will pay a very heavy price for it," Erdogan continued.

This warning goes hand in hand with what Marzulli says of the situation, minus one extremely significant aspect: the power of God and His hand of protection over Israel.

"We know from Ezekiel 38 that God Himself shows up," he says. "So this is different, but then you plug in the threat of

nukes which you got going between Ukraine and Russia, and then you plug in on top of that the whole UFO thing which is the game changer.”

“This is the coming Great Deception,” Marzulli says.

“If Hezbollah starts firing rockets on Tel Aviv, they’re going to go after Damascus,” he adds. “They’ve already told the Iranians, ‘You do this, we’re going to destroy Damascus.’ That’s Isaiah 17, ‘Damascus has become a ruinous heap.’ So then you’ve got Psalm 83, Isaiah 17, which leads to the Ezekiel 38 war. The question is: Does the church go up before Ezekiel 38 war or during or after? And we don’t know. There’s difference of opinions, so we don’t know.”

That, explains Marzulli, is why we wait and listen and watch, just as Jesus instructed His followers to do. No one wants to be one of the virgins who runs out of oil and misses the wedding of the bridegroom.{eoa}
