

Prophetic Vision: Is There an Angelic War Over the US?

In a recent prophetic broadcast, minister Mike Thompson shared a powerful vision he received concerning the U.S., the heavenly realm and the ongoing battle between good and evil. Thompson believes the nation stands on the precipice of the greatest revival in history, with millions coming to Christ. However, this divine move is being met with fierce opposition in the spiritual realm.

Thompson recalled a vision he first experienced in June 2013, when he was lifted into the heavenlies and saw the entire United States below him. Above America, Thompson saw a swirling mass of rainbow colors, which he recognized as the tangible presence of God's glory—a revelation he previously encountered in the throne room of heaven.

Yet, this divine glory was hindered from fully manifesting by demonic strongholds erected across the nation. Suddenly, fireball-wielding angels descended upon these dark forces, demolishing them one by one. But to Thompson's surprise, new strongholds emerged from within the land itself, fueled by the words and actions of wicked men. However, even with this kind of spiritual battle raging, Thompson knew that what the Lord had for the U.S. was much greater and more powerful than any forces of darkness.

"We have been warring for years to get us to the point where we could tear down those strongholds and that has happened just recently and the glory of God is beginning to move upon

the earth," Thompson says.

How will these strongholds be ripped away? Thompson believes this is the moment when the heavenlies have fought and won against the demonic principalities, which can be seen through Trump's swift actions.

"Think about the lightning speed President Trump has been enacting his agenda in America. It's a righteous agenda," Thompson says. "It is something that is happening at lightning speed. Nobody moves faster than God, by the way, so this is a God speed. The manifestation of His glory is here."

As this movement intensifies, Thompson thinks believers will experience transformation in every area of life—spiritually, financially and physically. Pray that this revival would take place in the full form that God has intended for it to come to pass.
