

Prophetic Warning: Great Purge Is on Its Way

In a recent prophetic update, prophet Tomi Arayomi shared a compelling revelation regarding a “great purge” coming to government institutions.

“The purge is a prophecy that the Lord released to me in the House of Representatives,” Arayomi says.

In the prophecy, Arayomi heard about a coming “purge” that the media would shout about. This of course already has started as the new Trump administration has gone forward purging DEI policies and corruption from varying departments in the government.

This shaking is not limited to the U.S. In fact, Arayomi prophesied that shaking would come to America’s border nations as well. Canada, too, is experiencing divine intervention. A previous prophecy from 2022 also indicates that Prime Minister Justin Trudeau would step down, and recent developments suggest this word soon may be fulfilled.

“Canada, it’s a new season. I am raising up new and righteous leader over you and I am shifting kings,” Arayomi’s prophecy says. “I saw Canada’s leader departing. Not sure if it was just his election term or whether it had finished or it came to an abrupt end.”

While great change has already begun in the United States and Canada, Arayomi also prophesied in 2024 that the time for change on the Mexican border is on its way.

“I believe Mexico is in a crucial in pivotal time and the Lord has a word over the nation. The Spirit of God says, ‘Tell Mexico ‘m calling for a people and a movement of life that will challenge and defeat the altars of death. For in a day you will hear it and suddenly the Lord says the sound of revival shall spring forth in Mexico and the worship of life will replace the worship of death.”

This revival, as Arayomi puts it, can only come if the people move away from witchcraft and the altars present in the nation. This shaking, as Arayomi puts it, will come with an arrest of the major cartels in the nation.

With the prophesied purging and the arrest of cartels, could these prophecies also connect to what the Lord showed prophet Charlie Shamp about the border?

“I saw that President Trump and his administration would take the strongest stance that any American president had ever taken on drug smuggling in the nation’s looked to the border in the south and saw a great river that flowed separating the United States from Mexico. I heard the Lord say, ‘Justice will roll on like a river, righteousness like a never-failing stream,’” Shamp prophesied.

While we may not know all that God is doing in North America, it is clear that He is desiring to tear down old establishments and replace them with holy, righteous ones.
