

Prophetic Word: It's Time to Sound the Alarm to Fight

I would like to first thank and honor all the prophetic voices who have held the line to stand on the word God has released to them regarding the U.S elections, especially when things have appeared to go in the opposite direction.

On the day Joe Biden was proclaimed by the media as the president-elect, the Lord gave me a word to release. I was praying and seeking the Lord when He said to write a word with the title, "Sound the Alarm." Within an hour, the Lord confirmed this in a letter I received written by Archbishop Vigano to President Trump. In it he described the features of a diabolic plan of a cabal of elites, and concluded by saying that it was surprising that there is no one to sound the alarm. This was the confirmation!

A global plan called the Great Reset is underway. Its architect is a global elite that wants to subdue all of humanity, imposing coercive measures with which to drastically limit individual freedoms and those of entire populations.

As a backdrop to this word, I would like to share a vision I received many years ago that has defined my walk and the ministry the Lord has given me. I saw a large and high tower stretching into the sky. Covering the tower were numerous doors and windows of all shapes and sizes—they were all open. As I stared at the tower, each one began to slam shut. At the same time, I heard the distant sound of marching from an approaching demonic army, and I received the understanding that God was concerned with the preparation and transformation of willing warriors into strong towers of refuge for the battles on the horizon.

The Lord highlighted the importance of closing these gates and

doors that were providing access to the enemy an important part of the preparation for the battles to prepare the way for the return of the King. At that time the Lord impressed upon me to watch the movie *The Return of the King*, in *The Lord of the Rings* series. As I watched, the Lord began to highlight the principles of intercession, intelligence gathering and tactics of warfare needed to defeat the agenda of the demonic forces vying for world dominion.

This movie reveals a sweeping panorama of the apocalyptic battle between demonic forces and an alliance of various armies united in light of an impending overthrow. However, the allied forces prevailed, paving the way for the king to return to his throne, where he received his bride and gave honor to all those who fought to defend freedom. A few days before the election, the Lord instructed me to once again watch the movie, which I did. At the time when I had first watched it, God opened up the book of Joel Chapter 2, revealing that the army of verses 1-11 represented the demonic army in the movie:

“Blow the ram’s horn in Zion, sound the alarm on My holy mountain! All the inhabitants of the earth will tremble, because the day of the Lord has come, because it is near—a day of darkness and gloom, a day of clouds and thick darkness. Like blackness spreading over the mountain, a great and mighty army comes, such as was never before, and will never be again, even through the years of all generations. Before them fire devours, and behind them a flame blazes; the land is like the garden of Eden before them, but behind them a desolate wasteland, and nothing escapes them” (Joel 2:1-3).

The fulfillment of this passage in Joel awaits a future day, the day of the Lord, when the world will be called to account—*this is not that day!* However, there will be many such battles to be fought leading up to that day, and I believe the Lord is now saying that we are presently in such a battle. The stakes in this present battle are extremely high, as a loss could accelerate the day of the Lord.

The Great Reset Archbishop Vigano referred to what was designed and crafted by the *World Economic Forum*, in line with the United Nations 2030 Sustainable Development Plan and Agenda 201. Through these plans, the underlying goals are the protections of the earth and world population, however benevolent their intentions may appear, the means they intend to employ to combat the problems the world may face in the future, have sinister undertones and are void of any acknowledgment of the providence of God over humanity and the earth.

President Trump is presently the only hindrance in the way of their purposes being fulfilled, and therefore, according to *their* plans, he must be removed at all costs. Every force available is therefore in collusion and being utilized to remove him—hence this election debacle.

If these elites have their way, these drastic and demonic actions will be taken:

- The LGBTQ agenda will be accelerated to a level that inflicts horrific harm on society and the children of the world. In answer to a question on rights for transgender children, Joe Biden said publicly, “We will change the laws!”

- Christianity will be discouraged; Christians will be persecuted, churches shut down and the Bible mocked.

- An increase in the promotion of euthanasia and assisted suicide, with the eventual availability for all ages who qualify as young as 12; this is already happening in The Netherlands.

- The promotion of the killing of babies up to nine months in the womb and even after birth.

- There will be a push for the diminishing of America as a restraining force in the world, this will be implemented by defunding the military and weakening the nation, by opening

the borders to immigrants of all nations, the implementation of socialistic and Marxist policies, declaration of the Constitution as outdated for the times and packing the Supreme Court with liberal judges. Reducing America's influence on the world stage as a one-world government is presented to maintain peace, equity.

–The introduction of draconian measures to limit the freedoms and rights of people, using pandemics and lockdowns to continue to control people and world populations.

–Mandatory vaccinations will become the only method to be able to function freely in society and to be able to purchase goods.

We are presently in the throes of a demonic overreach, where these forces are attempting to change times and laws as stated in Daniel 7. The day may come where they are allowed to do this, *but this is not that day!*

I sense in my spirit as I write this an urgency from God to sound the alarm. The media do not get to determine who is president; there are thousands of votes still not counted, and the election is being contested. I don't believe it is a coincidence that God gave me the understanding of this word the day Joe Biden was falsely declared the winner. President Trump has just put out a statement saying:

"The simple fact is this election is far from over. Joe Biden has not been certified as the winner of any states, let alone any of the highly contested states headed for mandatory recounts, or states where our campaign has valid and legitimate legal challenges that could determine the ultimate victor."
