

Prophetic Word: The Lord Says, 'Brace for Impact' and Breakout in 2021

Over the first half of 2020, I wrote many articles with revelations related to rockets and launching. In September, I wrote another related word on the second stage of a launch, where the rocket separates in space and releases the dead weight of excess baggage no longer required.

With each time that the Lord has spoken to me about a launch, I assumed it to be an end in itself, until God added to it and showed me another part to the process. So, as I was praying recently, when I heard the Lord say, "It's time to land this thing," I was shocked. I saw that He was again referring to the rocket. I then heard The Lord say, "Brace for impact!"

I then began to see the entire year of 2020 as process in a means of transportation God has used to move us from one place to another, from an old wineskin to a new, heavenly, supernatural kingdom dynamic modeled after Christ. Sometimes, when we are too close to something, it is hard to see the full view of it.

With all the turmoil of 2020, we can wrongly assume that the enemy has had the upper hand, until we step back to see the panoramic view of an awesome move of God in the works. This move is encapsulated in a present work comprised of numerous facets that will ultimately see the people of God catapulted into a new dynamic—to an atmospheric change of glory.

God is about to land what began at Passover 2020 when the body of Christ entered the capsule at lockdown. Lift off took place at Pentecost with a submitted, humble and prepared people, and the separation of the vessel occurred at Rosh Hashanah through to the Feast of Tabernacles when there was great wave of

repentance, and we were admonished to leave behind everything of the past that could not enter the new. God is now saying the capsule is about to land and we must brace for impact.

Prepared For 2021

What are the dynamics of impact as the capsule containing the sons of God enters the year 2021? Impact will be the collision of God—the breaker at the head of His armies of heaven and earth—smashing through the demonic wall of defense erected to protect the enemy's plots and present agenda. However, the enemy will not be able to withstand the *dunamis* power of God embedded within the glory of the presence of Almighty God.

I keep seeing a large military aircraft containing thousands upon thousand of soldiers landing, and as the aircraft lands, a large panel lowers and opens, and these thousands of supernatural anointed saints begin to rush out, armed and ready to fulfill their assignments.

2021 will be a volatile year where the kingdom of light and righteousness will move against the encroaching darkness. It will be a year of breakout into the fullness of maturity for the saints prepared for the times. It will be a year of breakout into the high call of God, that I spoke of on my last show, and a breakout into the supernatural, signs, wonders and miracles we have seen in the book of Acts, where angels actively and openly minister alongside us. It will be an explosive year where great courage is needed to arise in the people of God—the year for the sons of God to appear. 2021 will be a year where the people of God must stand resolute, grounded securely in the faithfulness and love of God, as the darkness will resist us at every turn. But God!

2021: A Year of Light and Darkness

We are presently in the year 5781 on the Jewish calendar, ending next year at Rosh Hashanah—81 is the product of 9×9 . 2021 will therefore be a year characterized by the number

nine. The number nine in Hebrew is represented by the letter *Tet* and is a number that depicts birthing and great fruit. For example, there are nine fruits of the Spirit and nine gifts of the Spirit. *Tet* can, however, represent both good and evil—the possibilities of both in man.

When yoked to God, the pictogram of *Tet* is shown as a man crowned with the sword of the Spirit, bowed in submission to God. In rebellion to God, *Tet* is revealed as a serpent having a head and tail. The number nine is greatly revered in the dark realm, in freemasonry, the Kabballah and numerology. In freemasonry, 81 is seen as a sacred number because it is the square of nine which is the square of three. The number 81 is even feared in some instances because it is produced by the multiplication of the sacred and revered nine.

2021: A Year of the Harvest of Light and Dark

The number 81 carries with it the concept of exponential fruit bearing—both light and darkness will therefore be releasing the fullness of their harvest in the year 5781 in all spheres.

“The servants said to him, ‘Will you then have us go and gather them up?’ “But he said, ‘No, lest while you gather up the weeds, you pull up also the wheat with them. Let both grow together until the harvest, and in the time of harvest I will say to the reapers: Gather up the weeds first and bind them in bundles to burn them, but gather the wheat into my barn’” (Matt. 13:28a-29).

The first time *Tet* appears in the Bible is in Genesis 1:4: “God saw that the light was good, and God separated the light from the darkness.”

The harvest of light and of darkness in the year of 81, will be explosive. In 2021, as God arises to scatter His enemies, the distinction between good and evil in man will begin to be clearly seen. The dividing line will be visible to all, and the choice given on which to take your stand. I believe God is

now saying, "Choose carefully with whom you stand!" He is saying to His people, "It is our time now, get ready for the future!"

For God's people, 2021 will bring forth the long-awaited and expected fruit—a harvest from all we have sown over the past decades and a great harvest of souls. However, the harvest will come in with great persecution against Christians and the Word of God. We have been 'carrying' our load of treasure and light for a very long time and are about to supernaturally bring forth—this is for both young and old, male and female, rich and poor. The Lord is saying to you:

"Arise, shine, for your light has come, and the glory of the Lord has risen upon you" (Isaiah 60:1).

2021: The Year Joseph Is Released

God sent Joseph ahead of his brothers on an apostolic mission to prepare the world for a time of great famine. 2021 will be the year a Joseph people will breakout of prison; these ones are refined in the fire and have become storehouses full of treasure prepared for the hour. What the enemy meant for evil, God meant for good! Messengers will arrive calling them to get washed and dressed in preparation to go before the King. Its time for Joseph to breakout into destiny ... continue reading here. {eoa}
