

Reality Star Claims Her Memoir Will Be 'Bigger Than the Bible'

Reality star Gemma Collins expects her new memoir to touch lives, but her comments about how much may have crossed a line.

"I think this book is bigger than the Bible and do you know why?" Collins says in an interview. "Because this is going to spread cheer like the Bible. You know how that touches [our] hearts and everything? My book does the same. It spreads happiness and it's not the sort of book you'll read once either—you'll go back to it and back to it. I cannot stop reading it."

The GC: How to Be a Diva releases June 28.

According to Amazon:

Gemma Collins burst onto our screens when she joined *TOWIE* in 2011 and since then she has become renowned for her hilarious one-liners, sassy attitude and, most importantly, memes. Labelled as one of the most iconic women of our nation, her rise to the top has been dazzling.

Unafraid to speak her mind with an admirable ability to deal with any situation in style, Gemma has experienced everything from fashion highlights (such as her iconic orange dress) to reminding men that they will never get her candy to being proud of her Essex roots and her body.

In *How to Be a Diva*, the GC will reveal her rise to becoming the nation's meme queen and how you can become one too. She's earned her divaship and, with this book, so can you.

Collins appears on the English reality show *TOWIE*, which stands for *The Only Way Is Essex*. The show loosely resembles U.S. counterparts like *The Real Housewives* franchise.
