

Senate to Vote on Codifying Roe v. Wade Today; ACLJ Says Bill Unconstitutional

The bombshell leak from the Supreme Court has unleashed a firestorm. The radical Left is scared and is making last-ditch attempts to make *Roe v. Wade* permanent, no matter what the Supreme Court says.

Senator Schumer is using the stolen, leaked draft Supreme Court opinion that would overturn *Roe* to force a vote Wednesday on an unconstitutional bill that would expand abortion and make *Roe* permanent even if the Supreme Court officially strikes *Roe* down.

The pro-abortion Left worships at the altar of abortion. They're engaged in an intimidation campaign to sway justices to change their minds (an all-out attack on the integrity of the Supreme Court). President Biden, Speaker Pelosi and Senate Majority Leader Schumer will stop at nothing to codify *Roe*.

Our initial legal analysis of the draft opinion leads to the unmistakable conclusion that the bill to make *Roe* permanent is *unconstitutional*.

We are in a battle now to protect the integrity of the Supreme Court and this opinion that overturns *Roe* to defend the lives of countless unborn babies.

We're mobilizing in the biggest fight of our lifetime, battling the seemingly unlimited resources of the radical Left. Tuesday, we delivered our legal analysis of this unconstitutional bill to every senator before this monumental vote, and we're ready to go to the Supreme Court if necessary.

The moment is now.
