

Silent Interview About Jesus Has Interview Subjects in Tears

This Easter season, Wendy Santiano invited people of different religious backgrounds to share their feelings about Jesus Christ—without saying a word. Questions include, “Who is Jesus Christ to you?” and “One day when you see Jesus face-to-face, what will you say to Him?”

The video has been watched over 117,000 times on Facebook in just three days. Santiago says the video’s unique approach has wowed many, and she’s received responses like this one: “It was interesting the phases I went through as I watched this. As I began watching, I was somewhat of a facial expressions analyst. But as it went on, I found myself looking inward, not to those on the screen, but to my own self. By the end, I am weeping.”

Watch the video for yourself and witness the power of the name of Jesus.
