

Spirit-Empowered Leaders Voice Anticipation for Empowered21 Global Congress

Spirit-empowered leaders from around the globe are voicing their anticipation for the Empowered21 Global Congress, which will be held in Jerusalem May 20-25, 2015. The Global Congress is a call to all believers from around the world to celebrate Pentecost in the land of Pentecost. The event will attract Spirit-empowered Christians from every continent to Jerusalem during the week of Pentecost to unite in faith for a fresh outpouring of the Holy Spirit. Registration is available at .

“This is a pivotal moment in history for the global Spirit-empowered movement,” said Empowered21 President and Global Co-Chair William M. Wilson. “The Impartation service, which will pass the mantel of the global Spirit-empowered movement on to the next generation, is of particular significance. Our prayer is that this service will be a catalyst, igniting the hearts and minds of young people from around the globe with the fire of God’s love and power.”

“The Global Congress will be a powerful time of worship and ministry for Spirit-empowered Christians from every continent,” said Empowered21 Global Co-Chair George O. Wood. “We anticipate many changed lives as thousands of Spirit-empowered Christians gather together to seek God and bless the Holy Land.”

Other Spirit-empowered leaders have shared the following words about the Empowered21 Global Congress:

“This meeting will ignite the body of Christ to move from dead orthodoxy to a living faith in Christ. Now I declare that our present position is not an indication of our future

potential in God. Pentecost is alive and well,” said Ishmael Charles, bishop of the International Worship Center.

“I am hugely excited about the prospect of believers all over the planet being filled with the Holy Spirit on Pentecost Sunday 2015. This is a New Day initiative for revival in churches everywhere,” said Phil Pringle, founder and president of C3 Church International.

“Jesus did not say ‘Be touched, caressed, motivated or excited about my Spirit.’ He said ‘Be filled with the Holy Spirit.’ Jerusalem 2015 represents more than an event. This gathering serves as an encounter that will change lives,” said Samuel Rodriguez, president of the National Hispanic Christian Leadership Conference.
