

Stephen E. Strang Urges Americans to Get Out and Vote for Trump in 'This Most Important Election of Our Lifetime'

Election Day 2020 is here at last—and author Stephen E. Strang, founder of Charisma Media and author of the compelling new book *God, Trump and COVID-19*, has a clear message for millions of faith-filled Americans from coast to coast: “This is the most important election of our lifetime,” says Strang, who has written authoritatively about President Donald J. Trump for years. “As I’ve documented in my books, if Joe Biden and other leftists get in, then Christians will face the serious persecution that we saw in many Democratic states during the COVID-19 pandemic. It’s that simple.”

Strang is also the author of *God, Trump and the 2020 Election*. He has noted previously that “Trump is a true leader. The president is a champion of our belief in God and of returning us to the foundation of our freedoms in this country.”

Stephen Strang’s newest book is *God, Trump and COVID-19*, a dynamic follow-up to his earlier book, *God, Trump and the 2020 Election*. The new book, in addition to sharing insider information about China and the coronavirus that has plagued our nation, addresses a key question for Christians: “Where is God in all this?”

God, Trump and COVID-19 is published by FrontLine, an imprint of Charisma House, which publishes books that challenge, encourage, teach and equip Christians. The book is available in paperback, e-book and audiobook formats at [frontlinebooks.com](#).

Stephen E. Strang is an award-winning journalist who founded *Charisma* magazine, the only national evangelical magazine to endorse President Donald Trump. He is also the bestselling author of *God and Donald Trump*. Voted by *Time* magazine as one of the 25 most influential evangelicals in America, Strang has interviewed four U.S. presidents—including President Trump—and has been featured on many media outlets, including Fox News, CNN, MSNBC and CBN. {eo}
