

Steve Hill Discusses 'Spiritual Avalanche' Prophecy in Media Tour

Evangelist **Steve Hill** lit up the Christian world when he released a **prophetic vision** last year about a spiritual avalanche that could kill millions. Now, the revivalist has released a book on the topic.

Entitled *Spiritual Avalanche: The Threat of False Teaching That Could Destroy Millions*, the book is making media headlines on popular Christian radio and television shows, including Sid Roth's *It's Supernatural* and Dr. Michael Brown's *Line of Fire*. (Hill will appear on *Line of Fire* on Tuesday.)

Hill sets the stage for the book in a synopsis paragraph: "Imagine yourself in the mountains, curled up by the fire while the snow falls outside the window. But what happens when the snow just keeps falling, creating the dangerous threat of an avalanche? Those who heed the warnings are saved, but those who fail to listen are caught in a deadly trap."

In *Spiritual Avalanche*, Hill recalls in vivid detail the stunning vision of an avalanche he received from God.

Leaders in the body of Christ are resonating with Hill's message. "A message deserving our ready welcome as a 'word' from the heart of God!" says Jack Hayford, chancellor of The King's University.

Lou Engle, founder of TheCall, says "Steve Hill is once again calling the nation to tremble and return to the God of our fathers."

Sid Roth said, "This heavenly warning will give you the ability to dodge the maze of deception that is flooding the church."
