"It is coming to you early April 2025," says Jenkins. "I don't know exactly if it's the first or second week just yet, but it will be early April, so mark you calendars for that time."

The show's arrival in theaters comes just in time for Easter, which is on April 20, 2025.

Fans of the show will have the opportunity to grab a sneak peak of the upcoming season in November during Jenkins' new Christmas movie, "The Best Christmas Pageant Ever."

"If you do want to get a sneak peak of 'The Chosen' Season 5, then you're going to want to go to these early access screenings available in most theaters around the country on Nov. 2," Jenkins says. "This is a moment from the Last Supper, and so the only way you're going to see this scene is if you show up on Nov. 2."

Jenkins also discussed other upcoming projects that will be under "The Chosen" banner, including stories focused on Joseph, Moses and the book of Acts. Jenkins also dove into a very real and raw conversation about the spiritual battles he's dealt with since starting "The Chosen" after a viewer asked what kinds of challenges he's been facing.

“When you pray for us, the first thing I would say is you can pray for our families. I would say that over the last five years, as the show has grown and been successful – in however the world measures that – but also successful spiritually, it’s been the hardest five years of my life, hardest five years of my family’s life without a close second. This last year has been the hardest year of my family’s life,” says Jenkins.

Jenkins states that this is true not only for himself, but many others who work for “The Chosen.”

“Whether it’s chronic illness like in the case of my family or emotional issues, or financial issues, or whatever, it just never stops. Once you sign on to work on ‘The Chosen,’ your life is probably going to get more difficult, not less,” he says.

As viewers anticipate the next season and all of the new projects coming under the branch of “The Chosen,” keep those working here in prayer as they make it their mission to spread the gospel to the very ends of the earth.
