

The Real Reason Every Believer Must Care About Rising Anti-Semitism in U.S.

Protests, riots, violence and COVID-19 fill the news in America right now. You might be shocked however, to find out that anti-Semitism has also seen a massive increase in the US over the last several months.

Why is this important for Christians? As we heard in an episode of *The Joshua and Caleb Report* several weeks ago, it's historically proven that disasters occur when nations and peoples turn against Israel. The increase of anti-Semitism this year should be of great concern to believers all across America.

In this episode of the *Joshua and Caleb Report* podcast, we interview Laurie Cardoza-Moore, founder of Proclaiming Justice to the Nations. Laurie has been fighting anti-Semitism and advocating for Israel for many years. She was appointed special envoy to the United Nations for human rights and anti-Semitism. She has been at the forefront of the battle against Jew hatred in the United States. You won't want to miss today's interview.

If you think what's happening in America is disconnected from Israel and the Jewish people, you might be shocked by what you hear in today's show on the *Joshua and Caleb Report*.
