

These Biblical Mysteries Tie an Ancient King to 2 US Presidents

Never one to shy away from the spotlight, Donald Trump is even a more visible presence in American culture today, with daily briefings on the health concerns plaguing the nation and the world.

In his global hit *The Oracle: The Jubilean Mysteries Unveiled*, *New York Times* bestselling author Jonathan Cahn addresses whether an ancient king is linked to not one, but two, U.S. presidents. *The Oracle* not only makes these connections, but the book is full of spectacular mysteries and revelations that continue to stun readers worldwide.

In *The Oracle*, Cahn opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires—even America—to the current events of our day, to the future, to end-times prophecy, and much more. The author writes that an ancient king holds the mystery of President Donald Trump and is also linked to President Harry Truman 70 years earlier.

Cahn explains in *The Oracle* that God uses world rulers to restore Israel, including: King Cyrus, under whose leadership the Jews were set free from Babylonian captivity; British leaders Lloyd George and Arthur Balfour; President Harry Truman, who oversaw the decree in 1947 that returned Israel to nation status; and now, President Trump, who announced that the U.S. would recognize Jerusalem as the capital of Israel in 2017. In fact, the name “Donald” means “world ruler,” Cahn noted. Trump also referenced Cyrus’ other American counterpart during the Jerusalem announcement when he said: “It was 70 years ago that the United States, under President Truman,

recognized the State of Israel.”

President Trump not only referenced the biblical King Cyrus, but also quoted him directly, stating: “Cyrus the Great, a leader of the ancient Persian Empire, famously said that ‘freedom, dignity, and wealth together constitute the greatest happiness of humanity.’”

“It was not only that the president had issued a public statement in which he spoke of Cyrus, but that he spoke words that had been attributed to the ancient king,” according to *The Oracle*. “In other words, he wasn’t only speaking of Cyrus; he was now speaking as Cyrus. The president and the king were joined together. And this took place before the act that would manifest the mystery of the two leaders before the world—the Jerusalem Declaration.”

The 70-year span between 1947 and 2017 is also significant, Cahn says. The Bible says that a decree about Jerusalem will occur at the end of a 70-year period concerning Israel.

“When was Israel voted into the world?” Cahn notes. “1947. Add 70 years and it comes out to the year 2017, when Donald Trump issued the Jerusalem declaration at the end of the 70 years like clockwork. God is on the throne. Nothing is an accident. God has called us for such a time as this—isn’t He amazing?”

In *The Oracle*, Cahn takes readers on a journey to find the man called “the Oracle.” One by one, each of the Jubilean mysteries is revealed through the giving of a vision to a traveler. *The Oracle* uncovers the mysteries of The Stranger, The Lost City, The Land of Seven Wells, The Birds, The Number of the End, The Man in the Black Robe, The Prophet’s Song, The Man with the Measuring Line, The Matrix of Years, The Day of the Lions, The Awakening of the Dragon and many more.

Ultimately, *The Oracle* will reveal the secret that lies behind end-times prophecy and the mystery of the end of the age. As with his other bestsellers *The Harbinger* and *The Book of*

Mysteries, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader is taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and revelations of what is yet to come. {eoa}
