

This Man Sees Angels and Demons. Now He's Showing You How to Master the Same Ability

In his first book, *The Veil*, best-selling author Blake K. Healy shared how he learned to use the gift God gave him—that gift being the ability to see angels, demons and other spiritual things. Now, Healy will release his second book, *Profound Good*, which will not only delve into the purpose behind this spiritual gift but also show how you can master this ability.

In his 30 years of seeing in the Spirit, one sight has consistently been the most painful for Healy. It's not when he sees someone trapped in demonic oppression. It's not when he sees the gaping wounds of emotional trauma. It's when he sees the goodness of God go unclaimed by His people.

Profound Good includes personal stories of what God has shown Healy about His love for His people. The author addresses the following questions:

- ·Is there such a thing as being “good enough” for God?
- ·How can we experience the fullness of God's goodness?
- ·What is the purpose of angels?
- ·How can we respond to pain in a way that pleases God?
- ·What is the purpose of seeing in the Spirit?

Healy takes readers on a journey of rediscovering the goodness of God. Not only can readers learn how the spirit realm works, but they can also develop a brand-new understanding of God's character.

Healy is one of the senior team members at Bethel Church of

Atlanta in Georgia. He is also the director of the Bethel Atlanta School of Supernatural Ministry. He lives in Peachtree City, Georgia, with his wife, April, and their four wonderful children: Haydon, Finnley, November and Ender. For more information or to contact Blake, visit .
