

Todd White, Heidi Baker Ignite Awakening in Escalating Corners of Darkness

Thousands of Christians are travelling to Sweden this weekend for Awakening Europe, a mass gathering at the Friends Arena in Stockholm and GOD TV will air it LIVE worldwide. Several sessions from the event will be broadcast from Oct. 28-30, 2016, capturing the excitement of the crowd, music from top gospel artists and messages from leading speakers, many of them from the USA.

Hosted by Ben Fitzgerald of GODfest Ministries, Awakening Europe will feature Todd White of Lifestyle Christianity, Heidi Baker of Iris Global, Paul Manwaring of Bethel Church and Joakim Lundqvist of Word of Life Church, Sweden. Worship leaders include Jeremy Riddle (Bethel Music); Jake Hamilton, Daniel Hagen and the Resound Band, Chris Pöschl and Northwind Collective.

Awakening Europe, Scandinavia follows a large-scale stadium event in Nuremberg, Germany, last year where many thousands gathered to be part of a spiritual rekindling in Europe. This year's theme is 'Disturb the normal' and aims to build a new 'Jesus People' Movement that will impact the nations for the kingdom of God.

GOD TV Founder, Wendy Alec will present a half-hour Pre Show LIVE from Stockholm on each of the three days, to mobilize GOD TV's viewers to pray for the upcoming event, with interviews with some of the guest speakers.

"Scandinavia is an ignition key for the evangelization of Europe," said Wendy Alec. "Nuremberg was the beginning of

something significant, that is going to happen in Scandinavia and overflow into Russia, Switzerland, and France and across the English Channel to the U.K.”

Co-Operation With Other Christian Networks

In an unprecedented move, GOD TV is making the LIVE programs available to three other Christian networks to enable many more viewers across Scandinavia to watch. Local networks Kanal 10 Norge, Kanal 10 Sverige; Visjon Norge, Visjon Sverige; and TV7plus will all carry GOD TV’s LIVE broadcasts of Awakening Europe, saturating the Nordic countries with the gospel.

“It’s a privilege for us to join with other Christian broadcasters so more lives can be impacted by this major event,” said GOD TV President and CEO Ward Simpson. “We are stepping into a new season of unity in the Body of Christ and unity brings God’s blessing.”

GOD TV can be watched throughout the USA on channel 365 of DIRECTV as well as on cable in some cities. Viewers can also access GOD TV’s webstream on their smartphone via the GOD TV App; online ([http://www.godtv.com](#)); or TV screen, (Apple TV and Roku). {eo}
